

## Georgia Good Sams Club

### What Is A Good Sam Chapter?

All Good Sam members are encouraged to join a local Chapter for wholesome, increased outdoor fun, fellowship, travel, touring places of interest, pot luck dinners, and other interesting camping activities. This creates new and long lasting friendships and memories. Chapter members usually meet once a month for a campout get-together or other Chapter activities such as service projects or support of local charities. Many of the Georgia Chapters are strong supporters of the Dogs for the Deaf, as well as other local charities.

During the year, Chapters meet for a campout designated by their wagon master or by common agreement of the Chapter members. Twice a year, in March and again in September, all Chapters should attend the state Samboree at the Georgia National Fairgrounds & Agricenter in Perry, Ga. These Samborees are for the enjoyment of all Georgia and other State Chapters as well as Good Sam members from all over the United States and Canada. They are usually held Thursday through Sunday morning with a night or two called Early Bird Days before the Samboree during which "Early Birds" can explore events happening in Middle Georgia. The Samboree includes nightly entertainment, Pickin' & Grinnin', Bingo, (we call it Samgo), games, morning coffee and donuts, biscuits, ice cream social, arts and crafts, vendor displays and new and used RV displays by RV dealers. During the winter months some Chapters elect to have their meeting at a local restaurant for breakfast or lunch.

A Chapter is made up with a varying number of rigs. They camp together, play together and give support in times of need. The Chapter members have vests in their own Chapter colors, with patches from the states, parks and points of interest, they have visited. The more you become involved in a Chapter the more satisfying the experience.

If you are interested in joining in on the fun by joining a local Chapter, check the Chapter Listing for names and contact numbers of the Presidents of all Georgia Chapters. They will be more than happy to answer any further questions you may have. If you are unsure about a Chapter in your area, send an email message to the State Director at: [georgiagssd@yahoo.com](mailto:georgiagssd@yahoo.com).
